

Stainless Steel Tips.

Stainless steel tips for style and durability.

iSi Stainless Steel Tips are the heavy duty solution for perfectly presenting espumas, sauces, whipped cream, etc. in high volume locations.

It is important to use original Professional iSi whippers with all iSi accessories.

Three tips are included: Straight Tip, Tulip Tip and Star Tip.

Stainless Steel
Cold and warm applications
Dishwasher-safe

Injector Tips.

For filling and decorating.

iSi Injector Tips are ideal for filling pastries, liquid injections, brining, and basting.

The four stainless steel injector tips are also the perfect solution for specialty plating and design.

Stainless Steel Injector Tips come in 2 lengths and 2 diameters for a variety of uses.

Stainless Steel
Cold and warm applications
Dishwasher-safe

Decorator Tips.

For filling and decorating.

The iSi Decorator Tips are ideal for making shapes and patterns, filling narrow-necked serving pieces and decorating all kinds of dishes.

The adapter and the three decorator tips can be changed quickly and are easy to clean.

The iSi Decorator Tips are dishwasher safe.

Cold and warm applications
